

Plant Biology Seminar Series - Spring 2007

Fridays, 12:35 AM, 138A Foran Hall, Cook Campus

<u>Date</u>	<u>Speaker &</u>	<u>Topic</u>	<u>Host</u>
Jan. 26	Dr. Brian Sauser, From Systems Biology to the Biology of Systems	Stevens Institute of Technology	Harry Janes
Feb. 2	Dr. Mike Dixon, Technologies for Human Life Support in Space	University of Guelph, Canada	A.J. Both
Feb 9	Dr. Gene Giacomelli, Controlled Environment Agriculture	University of Arizona	A.J. Both
Feb. 16	Dr. Mike Seibert, Algal Biohydrogen Production from Water--Physiology, Process Development, Biophysics, and Genomics	NREL	Harry Janes
*****Thursday, 4:00 p.m., Alampi Room, Marine and Coastal Sciences*****			
Feb. 22	Dr. Michael Milgroom, Polulation Biology of Fungal Plant Pathogens	Cornell University	Brad Hillman

Feb. 23	Dr. Cary Mitchell, The Essential Role That Plants Will Play in Closing Loops for Space Regenerative Life-Support Systems	Purdue University	Harry Janes
Mar. 2	Dr. Heike Winter Sederoff, Signal Integration of Tropic Responses in Plant Roots	NC State	Harry Janes
<i>Mar. 2 *****Special Seminar- -3:30pm Alampi Room, Marine and Coastal Sciences*****</i>			
<i>φ2007 Rutgers Univ. Graduate School-NB Distinguished Alumni Award recipient in the Biological Sciences φ</i>			
<i>William A. Reiners, Ph.D. Rutgers Univ. Botany, (1964), Professor, University of Wyoming</i>			
<i>Title</i>			<i>James White/Peter Morin</i>
<i>http://gsnb.rutgers.edu/awards/alumni_names07.php3</i>			

Mar. 9	no seminar		
***** <i>Special Seminar-Tuesday -2:00pm Alampi Room, Marine and Coastal Sciences</i> *****			
Mar. 13	Dr. Elizabeth Losos, <i>Seeing the Forest for the Trees: Changing Tropical Ecosystems</i>	<i>President and CEO, Organization for Tropical Studies, Duke University</i> <i>Dean Robert Goodman, James White, Peter Morin</i>	

Mar. 16	no seminar		
Mar. 23	no seminar		
Mar. 30	Dr. Cindy Hemenway, RNA Viruses	NC State	Nilgun Tumer/ Brad Hillman
Apr 6	no seminar		
Apr 13	Dr. Marty Dickman, Apoptosis, Fungi and Plants	Texas A&M University	Brad Hillman
Apr 20	Dr. Suzanne von Bodman, Bacterial Quorum Sensing and Biofilms	University of Connecticut	Don Kobayashi
Apr 27	no seminar		
May 4	Dr. Joan Bennett, Secondary Metabolites from Antibiotics to Zootoxins	Rutgers University	Don Kobayashi
